DR. ROGERS' LIVERWORTH AND TAR FOR THE COMPLETE CURE OF Coughs, Colds, Influence, Astheno, Beauchitis, entiting Blood, and all other Lung Completents tending to CONSUMPTION.

THE GREAT COUGH REMEDY! READER! have you a Cough, which you are neglecting under the idea that it is only a common cold, that i will soon "wear itself out?" Let a friend tell you, in all kind ness, what will soon be the probable result In a short time, if you continue to neglect yearself, you will begin to feel a sense of highlands and oppression across

the chest, accompanied with frequent sharp during points. Then a dry, backing Cough will set in, and when you raise anything it will be a thick and yellowish, or white irothy matter, strenked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have flectic Faver, Cold Chills, Night Sweste, Copous Expectoration, and then Great Prostration. If you still neglect yourself, a few weeks or months will see you consign ed to the grave, leaving your friends to mourn how repidity CONSUMPTION did its work, and harried you away.—
Friend! have you no cause to be slarmed? In the above sketch you may see as in a glass, how overy case of Consumption progresses, with more or less rapidity, to a fitted termination. Of all the Thousands and Millions when this great Destroyer has gathered to the temb, every simple case began with a Cold! If this had been attended to, all might have been well but, being neglected, make the fatal delusion to the substance of the Lungs, exciting there the formation of inhercies. Another, and another cold solded fuel in the

of inhercies. Another, and another cold saided fuel in the flame, until these inhercies began to solven and surpara to leaving, by their ulceration, great actites in the Lange. At this crisis, the disease is very difficult of care, and offentime, sets at defiance all human means.

In the latter or worst stage, this medicine will offentimes arrest the disease, or clock its progress, and will always make the patient more comfortable, and prolong his life, and is therefore wortby of a fetal, —but in its incapient or forming is therefore worthy of a frial;—but in its incipient or forming periods, Consumption is as curable as any other disease, and "Dr. Rogers' Syrup of Liverworth, Tar, and Canchallegra, if taken at this time, will cure it Tell AS SURELY AS IV IS TAKEN 602. This is strong language, but we can refer you to manufacters living witnesses to prove that it is TRUE And therefore, we carnestly exhert every man, woman and child, who has a Cough, or is subject to Colds, to keep incipience by your in the house, and whenever you take this Colds. iciae by you in the house, and whenever you take Cook, do not "let it alone" to work mischief in your system, but crasicate it thoroughly, at once, by this power, fully bealing non-pound and have your Longs unsigned, to carry you in full vigor to a good old age!

MOTHERS!

Have you delicate, weakly children, who are always toking cold, and subject to Croup's Kennander! There agers was use of Croup, which did not originate in a Cold! And when your child goes to hed wheeling and coughing, you know not that, before morning. Croup may not ret in, and ere you can get a President, your dear child may be beyond the reach of help. We beseed you therefore, as you value the lives of your children, keep this modicine by you in the house, and when your little ones take cold and commence coughing, give it to them at once, and rest not until the cough is entirely subdued. We conscientiously away, after the most extended experience, that it it his advice were followed, no child need ever

no child need ever DIE OF CROUP, DIE OF CLOUP,
for the cold would be cured, before it could arrive at this aggravated and fatal stage. Let every Mother, especially, based
well these remarks, that she may not harrestlest, when incuruing over the early blight of some cherished biossem, have secasion bilterly to regrowth herself for her criminal usgin: It is an old adoge, that "to be forwarmed, is to be forearmed. Parents! so lef if be in your case.
Be sure to ask for Dr. A. Rogers' Syrup of LIVERWORT,

TAR and CANCHALAGUA, and let no other be paired on you.
